

Let's Enable Consent Form

Individuals

1.0 Consent

This consent form must be completed and signed before activities can take place. Let's Enable reserves the right to cancel a session if the consent form has not been completed – the full cost of the session will be due.

If a participant is under 18 years old or the individual does not have the maturity and mental capacity to make their own decisions about whether they want to be involved in an activity, consent will be obtained from a parent, guardian, carer, or health care professional.

I consent (or give consent) to take part in the activities provided by Let's Enable during the horse care session (please tick)

If there are any activities you do not feel comfortable with, please speak to your instructor

2.0 Data Protection

Let's Enable is a CIC that needs to retain and process certain data to enable the efficient running of the business and for health and safety purposes. Data will only be kept for as long as it is relevant to the purpose for which it was collected, or for as long as we are required to keep it by law.

Data Protection Act 1998 and 2018: I understand that the data given will be held in accordance with the Data Protection Act but may be shared with insurers, health care professionals and other concerned parties in the event of injury or accident and in accordance with the law.

I give consent for:

Let's Enable to keep a record of this form for health and safety purposes.

Let's Enable uses photographs and videos for our website, progress records, social media and funding applications. If you agree to Let's Enable taking and using photographs or videos please tick (if you do not consent, please leave blank):

being filmed or photographed during the activity, with the possibility that these photographs/media recordings may be used for publications or marketing publicity, Let's

Individuals

Enable's social media (names will not be used in any such posts) and the website. (Let's Enable will take all steps to ensure these images and videos are used solely for the purposes for which they are intended)

funding Applications and progress records

Note: if consent is not given, Let's Enable will not use any images or videos taken during the activity that contain the individual.

In some circumstances we may anonymise your personal data (so that it can no longer be associated with you) for progress records, research, statistical purposes, in which case we may use this information indefinitely without further notice to you.

3.0 Other

Let's Enable aims to provide a safe and enjoyable experience for every participant. We cannot take any responsibility for any damaged clothing and or personal items during the activity

I agree the following (please tick):

I acknowledge there is always an element of risk when interacting with horses and all horses may react unpredictably on occasion and it is my choice to participate in the session.

I will notify Let's Enable of any changes to the information given on the form.

I understand that the participant needs to follow the behaviour code and any safety rules so that Let's Enable can keep them and other people safe.

Please tick box if it has been agreed by Let's Enable that the participant can take part in the activities without the parent / support worker in attendance – parents / carer will need to present if the participant may require any medication during the activities.

Let's Enable reserves the right to alter the numbers in a group to ensure the smooth and safe running of the group – the cost of the sessions will be altered to reflect this

Parents / support workers must make arrangements for participants to arrive and be picked up on time. If a parent / support worker is not able to collect the participant, they must let Let's Enable know in advance of the start of the session who will be doing so.

I have read and understood the policies including cancelation policy on the Let's Enable website
