

Let's Enable cancellation policy for mobile service

Funded / part funded sessions by an organisation

- Let's Enable requires a minimum of 2 weeks' notice if a mobile session is going to be cancelled by an organisation – this will hopefully give us sufficient time to find another organisation to take the session and carry out a pre mobile visit for them
- If the session is taken by another organisation, 100% refund / payment less administration cost of £50
- If the session is not taken by another organisation, 50% refund / payment is required by Let's Enable

Fully funded by Let's Enable
